About JIMS

Jagan Institute of Management Studies (JIMS) was set up in 1993 under the aegis of Jagan Nath Gupta Memorial Education Society, a registered non-profit organization. JIMS is an institute par excellence in the field of management studies and technical education. We believe in providing quality education, focusing on professional excellence in both management and technical education. The standards it has set for the quality of its courses and programs and the delivery system adopted, have enabled the Institute to attract students from across the country for its two-year Post Graduate Diploma in Management (HR, Marketing & Finance) and specialized. From the inception, JIMS has tried to provide a comprehensive learning environment through seminars, competitions, conferences etc.

Our Vision

To be an Institute of Academic Excellence with total commitment to quality education and research in management and information technology with a holistic concern for better life, environment and society

Our Mission

To serve the society and improve the quality of life by imparting high quality education in management and information technology, providing training and development services, fostering research, giving consultancy services to industry and disseminating knowledge through the publication of books, journals and magazines

About Prastuti

“PRASTUTI” is an inter college Annual Presentation Contest held by JIMS to provide a platform to inculcate a culture of research and development and inspire students to showcase their presentation skills and out of the box thinking. The winners are rewarded with exciting prizes to act as a catalyst for motivation.

The Student Presentation Contest recognizes innovative and high quality electronic presentations. The Student Presentation Contest aims to promote active learning through the presentations in either of the following categories:

- Presentations designed to illustrate and explain a concept, theory, or research discovery.
- Presentations that illustrate and explain an application of IT and/ or Management Concept.

The theme of the contest is **“Innovations for sustainable development in the Digital Age”**

Entries should be developed primarily by students and designed to explain a concept, research, or application in their area of interest. The competition is open to students currently enrolled at any university/ college. The entry deadline is January 24, 2012.

The first place winner will be awarded Rs 5000; second and third place winners will receive Rs 3000 and Rs 2000, respectively. Certificates for all winners will be presented.

No formal paper is required and we are looking forward to presentations that offer new perspectives, visions and innovative ways of working in IT and Management sector rather than a technical presentation on a specific area of research. The presentations should however be related to the main theme of the contest.

Who can participate

Students from all streams like BBA/ BCA/ B.Tech/MCA/MBA/MTECH/ARTS/LAW are invited to participate. Research Scholars are not allowed to participate.
