Pre Placement Sessions

■ JOURNEY FROM CAMPUS TO CORPORATE

JIMS Rohini, Sec-5, hosted a workshop titled "Getting Ready: Journey from Campus to Corporate" led by Prof. SC Kapoor. The aim was to prepare students for the transition from campus life to the corporate realm. Prof. Kapoor shared insights from his corporate experience, stressing the importance of adaptability and soft skills like communication and leadership. He also discussed networking, job interview preparation, and maintaining a positive attitude. The session featured engaging activities, including a motivational video and interactive tasks. Four standout students were recognized for their exceptional engagement and aptitude. Overall, the seminar provided valuable insights into corporate expectations and essential skills for success, concluding with a Q&A session for students to clarify doubts.

■ PERSON TO PERSONALITY

JIMS Rohini, Sec-5, hosted a guest session titled "Person to Personality" led by Dr. Anurag Awasthi. With 33 years of corporate experience and a double PhD in Computer Science and Management, Dr. Awasthi shared valuable insights on personal branding, grooming, body language, and communication skills. The workshop included self-assessment exercises, interactive activities, and theoretical sessions, engaging students while providing practical tools for personal growth. Dr. Awasthi's expertise and rapport with students made the session both informative and enjoyable. Key takeaways included improved self-awareness, enhanced communication, and boosted confidence, leaving a positive impact on students' personal development journey.

■ IMPACTFUL RESUME WRITING

On 27 February 2024, Jagan Institute of Management Studies held a seminar on Resume and CV building for Career Success. The session, led by Mr. Sunil Dua, an experienced teacher and industry professional, aimed to equip students with the knowledge and skills to create professional CVs that enhance their employability. The interactive learning environment and networking opportunities provided valuable career-oriented interactions. The seminar proved to be a valuable resource for students, equipping them with the essential knowledge and skills to create compelling CVs in a competitive job market.

■ STRATEGIC EMPLOYEE MANAGEMENT

JIMS Rohini organized a guest session on "Strategic Employee Engagement" led by Prof. Pronoy Dutt, a highly competent HR professional with 23+ years of experience in strategic human resources, management consulting, talent management, performance management, organizational development, and executive coaching. Dutt is currently General Manager & Head – Human Resources at Uttam Toyota, responsible for developing organizational strategies, identifying and researching human resources issues, and contributing to strategic thinking. The session aimed to increase engagement levels, improve productivity, and personal efficacy, and provided students with insights into the corporate world and necessary skills for success.

"Exploring Diversity: Highlights from Our Cultural Festivities"

"Farewell Gala: Honoring Achievements, Creating Memories"

Ardour: Cultural Club organized a memorable farewell event for the departing students of B.A Economics (Hons), BBA, MCA, and BCA (Batch 2020-2023) at Crown Plaza. The evening featured an award ceremony recognizing academic excellence and cultural performances showcasing students' talents. Emotional video montages evoked nostalgia and reflection on their college journey.

Key Outcomes:

1. Enhanced Self-Expression and Confidence:
 - Students gained confidence through performances and farewell speeches, improving their ability to express themselves.
2. Appreciation for Nostalgia and Reflection:
 - The event encouraged reflection on personal growth during college years, fostering gratitude for shared experiences.

◆ DANDIYA DAZZLE

Diwali Mahotsav, hosted on November 9, 2023, at JIMS Sector 5, was a vibrant celebration of Indian culture. Students and faculty came together for an evening of festivities, showcasing talents in music, dance, and poetry. The event featured delicious food stalls, engaging games, and pulsating music, creating a joyful atmosphere. Through traditional performances and colorful decorations, Diwali Mahotsav fostered unity, inclusivity, and a deeper appreciation for India's cultural heritage.

Introduction:

Dandiya Dazzle, held on October 25, 2023, at JIMS Sector 5, was a vibrant celebration of Indian culture, uniting students and faculty for an evening of festivities.

The Event:

Dandiya Dazzle featured:

1. Dandiya Dance Extravaganza:

Attendees danced in colorful ethnic attire, embracing the spirit of Navratri.

2. Culinary Delights:

Food counters offered authentic Indian dishes, satisfying every palate.

3. Musical Bliss:

A DJ played a mix of traditional and contemporary tunes, keeping the energy high.

4. Captivating Indian Decor:

The venue was adorned with vibrant decorations, creating a festive ambiance.

NSS ACTIVITIES

**MERI MAATI MERA
DESH**

The "Meri Maati Mera Desh" event was a resounding success, achieving its goal of fostering national pride and honoring the significance of our land, food, and farmers. The participation of students, staff, teachers, and the Sarpanch exemplified our community's unity and dedication to preserving our heritage. This event showcases the enduring spirit of patriotism at JIMS Rohini, inspiring future generations to uphold and celebrate our nation's rich heritage.

**SWACCH BHARAT
ABHIYAN**

The NSS Club's Swachh Bharat Drive on October 4th, 2023, was a resounding success, promoting cleanliness and environmental awareness while demonstrating the dedication of the JIMS Rohini community. This event highlights the power of collective action and community engagement for a cleaner, more sustainable future.

**GURU PARAB
-SELFLESS SERVICE**

The NSS Club of JIMS Rohini visited a Gurudwara on November 27 for a Sewa initiative, engaging in selfless service and observing community-driven activities. Activities included langar service, cleaning, maintenance, and community outreach. The impact was evident in fostering unity and well-being among attendees and the broader community. This experience highlighted the values of compassion and community service, emphasizing the importance of contributing to others' welfare and fostering unity.

The Viksit Bharat Campaign by NSS, Alankar, and Sankalp at Citizens Model Senior Secondary School aimed at community engagement, creative expression, and awareness creation. It featured interactive sessions, musical performances, dramatic presentations, skill development workshops, and interactive games, inspiring students for holistic development and societal progress.

**VIKSIT BHARAT
CAMPAIGN**

The dental checkup camp at Jagan Institute of Management Studies, with Clove Dental, was a success. It provided vital dental care and raised oral health awareness through free checkups and educational sessions. Thanks to Clove Dental for their partnership. We aim to continue supporting our community's oral health needs with similar initiatives in the future.

**FREE DENTAL
CHECKUP**

NSS conducted a successful blood donation camp on March 6th, 2024, at JIMS Rohini, witnessing enthusiastic participation from volunteers and the community. The event aimed to address blood shortages in hospitals while fostering altruism. Distinguished guests highlighted the importance of blood donation, followed by registration and health screenings. NSS volunteers played key roles in logistics and assistance. The camp replenished blood reserves, emphasizing collective action in healthcare and volunteerism.

Session on Road less travelled: Entrepreneurship as your career path

The session on "The Road Less Travelled – Entrepreneurship as your career Path" aimed to educate students about the opportunities and challenges of entrepreneurship. Mr. Shivendra Gupta, a distinguished entrepreneur and TEDx Speaker, discussed the process of entrepreneurship, highlighting its appeal for individuals seeking autonomy, innovation, and financial success. He highlighted the freedom to set hours, make decisions, and pursue passions, as well as the potential to create products or services that solve problems and make a positive impact. However, he also highlighted the risks of failure and raising capital, as new businesses often face stiff competition from established businesses. Gupta assisted students in understanding the incubation process and encouraged them to come up with ideas to convert into ventures. The session aimed to provide valuable insights for students interested in pursuing entrepreneurship.

Creative Writing Competition

The Creative Writing Competition on October 6, 2023, attracted 40 students from various academic backgrounds to express their thoughts and emotions through writing. The event featured a variety of topics, including "World of Art: The Visual Language of Social Change," "A Great Place to Go: Your Fictional World," "The Magical Key," "Space Exploration," "A Glimpse into the Future," "The Psychology of Fear," and "The Fear of Being Watched." The judges evaluated the entries based on creativity, content, expression, and adherence to the chosen topic. Hansi Mittal won first place with her piece, "World of Art: The Visual Language of Social Change," while Prachi Goel secured second place with her imaginative storytelling. Both winners received cash prizes and certificates.

GEOCONCLAVE

The GEOCONCLAVE, an inter-college event at JIMS Rohini, aimed to spark discussion on democracy's future and cultivate effective debate skills through competitive debate rounds. Over 35 teams from various colleges participated in the event, which focused on Geopolitics. The competition involved a panel discussion, a competitive debate, and a panel discussion on six topics related to democracy's challenges. The winners were Aditi Mahavidhyalaya, Delhi University, JIMS Vasant Kunj, and Mata Sundari, Delhi University. The event aimed to foster critical thinking, strategic argumentation, and persuasive communication skills among students.

“SURGE 2024”

ANNUAL MANAGEMENT SEMINAR

The annual management seminar of JIMS Sec 5, Rohini, began with a welcome address by Dr. Praveen Arora, Principal of JIMS, who discussed the importance of AI in providing market insights, augmenting human capabilities, and optimizing task management processes. He emphasized the need for upskilling to adapt to the changing technological landscape and how AI-powered management strategies can streamline tasks, leading to increased efficiency and resource optimization.

Mr. Sandeep Arora, Chief Technology Officer of Nupay, delivered a comprehensive presentation on the integration of AI and Machine Learning in the Fintech industry. He highlighted the transformative nature of AI and advocated for widespread adoption at both functional and industrial levels.

Ms. Veena Dewani, Co-Founder of Meta Lean Six Sigma, emphasized the urgency of driving India towards becoming a developed nation by 2047. She emphasized the need to harness technology, particularly Artificial Intelligence (AI), to drive innovation and growth in the digital era.

Ms. Sameeksha Nag, Principal Consultant at Infosys Ltd, discussed the role of technology expertise and leadership in empowering women. She highlighted the difference between human chat and AI-generated responses, emphasizing AI's lack of empathy and decision-making skills. Automation has revolutionized industries, making labor-intensive jobs less prevalent and driving efficiency. Nag emphasized the importance of embracing change for smoother product and service delivery and responsible use, while acknowledging AI's limitations.

Mr. P. Kannan, Zonal Manager at Bajaj Finance, discussed the importance of AI technologies in banking and finance. He highlighted AI's role in meeting human needs, improving efficiency, and creating new job opportunities. The seminar received positive feedback from attendees.

Youth Parliament

By The Economics Department

The Economics Department of JIMS Rohini-5 proudly hosted its inaugural Youth Parliament, an exclusive event tailored for economics honors students. This one-day simulation of the Lok Sabha focused on the crucial theme of Union Budget and Policy Implementation, with a spotlight on deliberating the interim Budget 2024-25 and projecting the Full Budget for 2024-25.

Date: 28th February 2024

Time: 11am

Venue: Auditorium, JIMS Rohini Sector-5, New Delhi

The event boasted two committees: Lok Sabha and the Hindustan Press, attracting a total of 46 registered participants, with 42 actively participating on the day.

The session unfolded in a structured manner:

1. Opening Ceremony: The parliament commenced with a formal opening ceremony.
2. Committee Session 1: Following the ceremony, the Lok Sabha delegates presented their opening statements.
3. Committee Session 2: This session focused on discussing sub-agendas, with Defense emerging as the finalized agenda. Delegates delivered speeches on the chosen agenda, and star questions were entertained, although cross-questioning was not permitted.
4. Committee Session 3: The final session featured closing statements from all delegates, conveyed through written submissions rather than verbal presentations.
5. Award and Closing Ceremony: The event culminated in an award ceremony recognizing outstanding contributions and a formal closing ceremony.

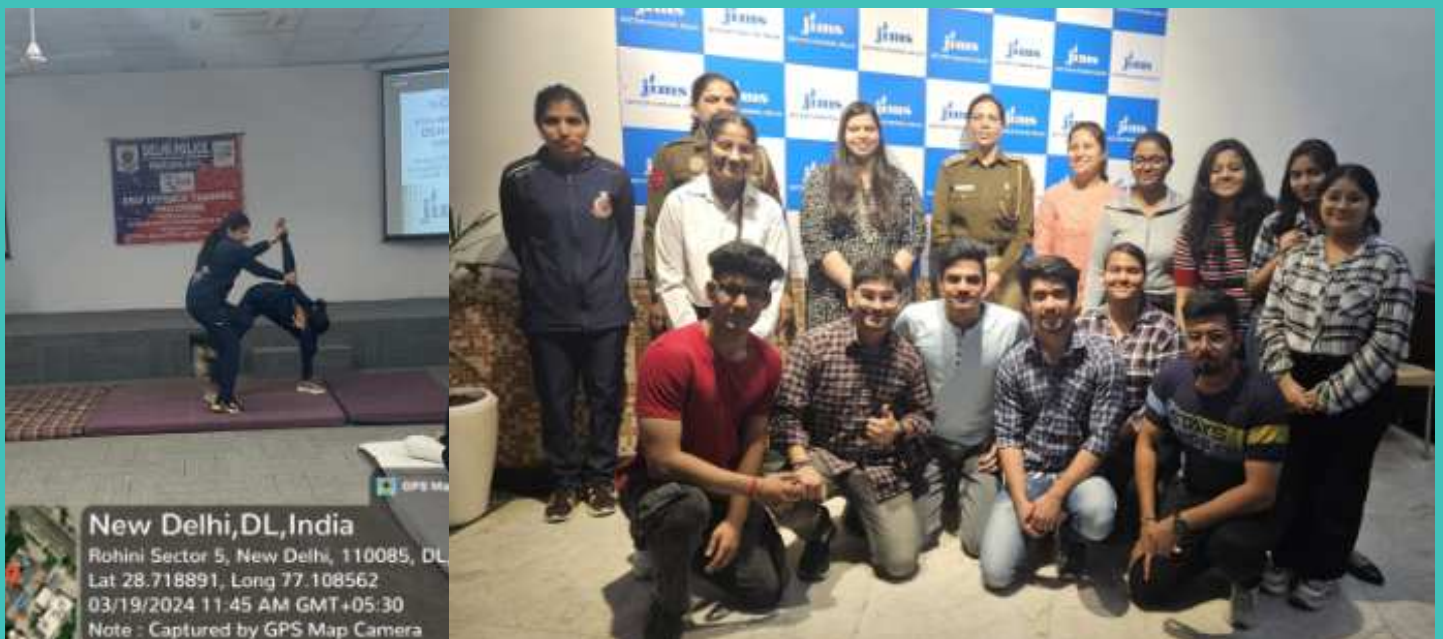

This Youth Parliament provided a platform for students to engage in constructive dialogue, hone their debating skills, and gain practical insights into budgetary processes and policy implementation. It served as a testament to the department's commitment to fostering intellectual discourse and academic excellence among its students.

Glimpses Of The Event

FOR MORE VISIT: jimsindia.org

In a momentous two-day extravaganza held on April 26th and 27th, 2024, our campus became the epicenter of intellectual fervor and visionary discourse. The event, graced by eminent judges including Mr. Rudraksh Singh Bhati, Mr. Arnav Singh, and Mr. Swapnil Pathak, commenced with a ceremonious inauguration, invoking blessings and inspiration. With the Rajya Sabha and International Press committees leading the charge, participants embarked on a journey of exploration and innovation.

The corridors of Room B-104 echoed with discussions on the inter-state agricultural economy crisis, with insights into the transformative potential of AI, while Room B-102 reverberated with the power of journalism, caricatures, and photography in shaping narratives. From dissecting rural infrastructure challenges to confronting the scourge of corruption in agriculture, each committee session ignited sparks of creativity and collaboration.

As the curtains drew on this intellectual symphony, the closing ceremony shone a spotlight on excellence, with judges honored for their invaluable guidance and participants celebrated for their visionary contributions. This event stands not just as a testament to our campus's commitment to intellectual excellence but as a beacon of hope and inspiration for a brighter, more inclusive future.

****Elevating Athletics: JIMS Warriors Sports Club Hosts Selections****

In a dynamic showcase of athleticism on October 7th, 2023, the Warriors Sports Club at JIMS orchestrated a comprehensive athletics selection event for students enrolled in BBA, BCA, and MCA programs. Featuring a diverse array of races spanning from lightning-fast sprints to the ultimate test of endurance in marathons, the event served as a platform to unearth top-tier talent destined for the grand stage of the GGSIPU Sports Meet.

With fervor and determination, students of both genders participated, injecting the atmosphere with zeal and competitive spirit. The objective was clear: to meticulously identify and appoint two standout individuals per athletic event to represent JIMS at the esteemed intercollegiate competition.

Behind the scenes, meticulous planning and execution by the coordinators ensured the smooth sailing of the selection process, allowing participants to exhibit their prowess in an environment conducive to fair play and sportsmanship.

This event stands as a testament to JIMS' commitment to fostering holistic development and providing a platform for students to showcase their talents beyond the classroom. As the selected athletes gear up to showcase their skills on the GGSIPU platform, they serve as ambassadors of JIMS' indomitable spirit and unwavering commitment to excellence in every endeavor.

CRICKET TOURNAMENT

The cricket tournament between JIMS Technical Campus and JIMS GGSIPU Affiliated Campus aimed to foster camaraderie and sportsmanship while showcasing cricketing skills. Despite a brief match, it was an intense battle displaying exemplary sportsmanship and talent. Notable highlights included JIMS Technical Campus' early dismissal and Pushkar Taneja's impressive bowling, countered by stellar batting from JIMS GGSIPU Affiliated Campus' Raunaq Chopra and Rakshit Bhatia. The match's swift conclusion underscored the dedication and prowess of the players, leaving spectators and participants impressed. Overall, the tournament successfully promoted unity, sportsmanship, and healthy competition among students from both campuses.

CHESS & TABLE TENNIS

The Chess and Table Tennis Tournament, hosted by Warriors - The Sports Club of JIMS, aimed to promote mental agility, strategic thinking, and physical fitness among students. With around 70 enthusiastic participants, the event showcased their passion for these indoor sports while fostering healthy competition and camaraderie. In table tennis, players competed fiercely through knockout rounds, culminating in thrilling finals where winners were lauded for their skill and sportsmanship. Meanwhile, the chess tournament saw intense matches showcasing strategic thinking and tactical prowess. Recognizing the top performers in each category, the tournament not only provided a platform for students to excel but also contributed to the vibrant sports culture at JIMS.

TUG OF WAR & SHOTPUT

The Tug of War and Shotput Tournament was organized by Warriors - The Sports Club of JIMS on 13th March 2024 with great enthusiasm and participation from over 125 students. Both girls and boys participated in the event, showcasing their strength, teamwork, and coordination skills. The tournament aimed to promote physical fitness and foster a spirit of sportsmanship among the participants.

The event kicked off with an energetic atmosphere as participants gathered to compete and demonstrate their prowess in Tug of War and Shotput. Students showed remarkable dedication and determination, understanding the significance of maintaining physical fitness in their lives. The competition was fierce yet friendly, reflecting the camaraderie among the participants. Throughout the tournament, the sports coordinators efficiently managed, ensuring smooth conduct and adherence to rules. Their meticulous planning and execution contributed significantly to the success of the event. Their efforts ensured that the participants could focus solely on giving their best performance. The tournament witnessed thrilling matches and impressive displays of strength and skill from all participants. The atmosphere was charged with excitement and encouragement as spectators cheered on their favorite teams and athletes. It was evident that everyone involved, from participants to organizers and spectators, thoroughly enjoyed the event. As the tournament concluded, winners emerged in both Tug of War and Shotput categories. Their outstanding performances were recognized, and they are set to be awarded with medals and certificates as a token of their achievement. Their hard work and dedication serve as inspiration for others to pursue excellence in sports and fitness. It is a testament to the commitment of the sports club and the enthusiasm of the participants.

TekQbe- The IT Club

The event aimed to target first-year students and enhance their logical reasoning, programming, and communication skills. Supported by JIMS Rohini Sector 5, the event had three rounds: IT Affairs, Code Relay, and Tech JAM. The first round involved a 15-question quiz, while the second round involved a set of five programming problems. The third round was a random topic-choice game. The event was held at Jagan Institute of Management Studies, with over 60 students participating. The event was successfully conducted by the entire team of TekQbe, with special thanks to the faculty and student coordinators. The learning outcomes were that students became aware of the importance of practicing and being well-versed in IT affairs, logical reasoning, coding problems, and public speaking. They learned that these skills are crucial for a career perspective and that regular practice is necessary to improve their logical reasoning and programming abilities.

The TekQbe - The IT Club of JIMS organized a Hand Holding Session on "Digital Marketing" on 29th November 2023. The event, led by Mr. Priyanshu Mehta, a BCA 3rd year with 2 years of experience as a digital marketing consultant, aimed to educate students about the importance and need of digital marketing in the industry. The event attracted over 32 students, with the event being opened by Mr. Devesh Lowe, the faculty coordinators of the IT Club. Mehta discussed opportunities and growth in digital marketing, sharing his experiences with various marketing campaigns. The session was interactive and concluded with a Q&A round. The event was successfully conducted by the entire team of TekQbe, with special thanks to the faculty and student coordinators.

Web Designing Competition

The IT Club of JIMS organized an event on March 20, 2024, to enhance students' web designing skills and provide practical experience in designing the front-end of a website. The event aimed to make students aware of their design skills and knowledge about HTML, CSS, and JavaScript in front-end web design. The event was held in offline mode, with participants working in teams of two members to create an exact clone of a provided webpage. The event prohibited the use of mobile phones and Internet services.

The event was opened by Mr. Devesh Lowe and Ms. Shivani Vats, the faculty coordinator of the IT Club, and handed over to student coordinators after explaining the rules for smooth conduct. The event was successful, with over 16 teams participating. The students found the event competitive and knowledgeable, showing great interest and looking forward to more such events.

The learning outcomes of the event included heightened proficiency in frontend design, deepening understanding of HTML, CSS, and JavaScript coding, and the ability to express code and design concepts effectively to evaluators. It fostered healthy competition among participants, encouraging an inclusive and supportive environment. It also provided valuable insights into participants' strengths and areas for improvement, aiding in self-assessment and ongoing skill development.

Excalibur- The Academic Club

The Academic Club organized a debate competition on 26th October 2023, aiming to encourage students to generate critical thinking on primary issues. The competition focused on the debate between two viewpoints: one supporting the use of war as a last resort for conflicts, and the other arguing that it can serve as a means to defend a nation's sovereignty and protect its citizens. The debate was divided into three positions: Chirag Sunil Kumar, BCA 1st Year, 2nd Shift, Satyarth Sahu, BCA 1st Year, 1st Shift, and Jeevansh Tyagi, BA-Eco. Kumar argued that war should only be considered as a last resort when all other peaceful options have been exhausted, as it often results in loss of life, suffering, and long-term social, economic, and political consequences. Sahu argued that military action may be necessary to deter further aggression and secure the safety of the population. The event concluded with the winners being recognized, the participants acknowledged, and a vote of thanks to the faculty and team.

OPEN HOUSE DISCUSSION ON “LEGALIZATION OF MARIJUANA IN INDIA”

The Open House Discussion on the legalization of marijuana in India was organized by the Academic Club on 29th April 2024. The event consisted of two rounds, with a group discussion on the topic and individual opinions. The first round involved eight students discussing the NDPS Act, which prohibits the cultivation, possession, sale, purchase, transport, warehousing, use, consumption, inter-state, import, export, and import of cannabis in any form. The students had mixed opinions on the legalization of marijuana. Some supported the idea of creating a new industry, generating tax revenue, and creating jobs, while others opposed it. Some argued that legalization could create a new industry, reduce crime, and make medical treatments more accessible. Critics also feared increased drug experimentation and addiction, as well as potential impacts on adolescent brain development and academic performance. The judges evaluated leadership qualities, logical reasoning, communication skills, latest knowledge, and decision-making skills. The event concluded with winners and participants, and a vote of thanks to the faculty and team for their efforts.

ICICCT-2024

The ICICCT 2024 conference aimed to provide a platform for researchers, practitioners, and industry professionals to exchange ideas and explore the latest developments in Pattern Recognition & Intelligent Systems. The conference received 175 submissions, with 13 papers recommended for publication in Springer CCIS. Keynote speeches focused on Computer-aided Diagnosis (CAD) and Intelligent IoT Sensing for Aging Well, focusing on healthcare, smart homes, assistive technologies, and ambient assisted living. Technical sessions included presentations from Dr. Pratyay Kuila, Dr. Mantosh Biswas, and Dr. Praveen Arora. The conference concluded with a vote of thanks.

The screenshot displays a Zoom meeting interface. The main window shows a presentation slide titled *Low-Cost Biodegradable composite-shaped Split Ring Resonator (SRR) Based Sensor for Breast Cancer Assessment* with Paper ID:094. The slide also mentions the 9th International Conference on Information, Communication & Computing Technology (ICICCT-2024) at JIMS, Rohini, New Delhi, India, and is presented by Madan Kumar Sharma. The slide includes logos for Springer, CCIS, and ICICCT-2024. On the right side of the Zoom window, a vertical list of participants is visible, including Dr. Deepak Chahal, Dr. Deepshikha Aggarwal, Mantosh Biswas, Dr. Madan, Dr. Shivani Wad..., and Dr. Shivani Wadhwa. Below the main window, a smaller window shows a presentation slide titled *Intelligent IoT Sensing for Ageing Well: Research Activities and Future Directions* by Distinguished Professor Michael Sheng, Head of the School of Computing at Macquarie University, Sydney, Australia. The slide also mentions the 9th International Conference on Information, Communication & Computing Technology (ICICCT-2024). The Zoom interface includes a top bar with the date 5/11/2024 and a bottom bar with various controls like Participants, Chat, Share Screen, Reactions, Apps, Whiteboards, Notes, and More.
