INDUSTRIAL VISIT TO PARLE-G

The students of JIMS had a propitious visit to the Parle Biscuit Factory at Bahadurgarh. On entering the premises, students were taken to the auditorium where we enjoyed a documentary related to the origin of the brand 'PARLE', its founder and various products manufactured by Parle. Soon after, an official took students to the manufacturing unit, where we got to know about various processes like kneading, mixing, shaping, baking, cooling to the final stage of packing. We were also shown the printing section. Then a questionnaire session was conducted wherein we also satiated their queries.

ECONOX

E-360 the club economics organized its first annual event 'ECONOX'. It is an annual quiz competition held by the club, to test their awareness and knowledge in economics, on 4th September, 2019. There was a preliminary round in which multiple choice questions were given to the students and those who cleared that round participated in round 1 "The personality Round". Students who made it to round 2 that was 'All about brands' had to guess the tag lines, logos and brand ambassadors of some brands. Winners were awarded with cash prizes of Rs 1500, Rs 1100 and Rs 700 respectively, along with the certificate distribution at the end.

JIMS GOT TALENT

Cultural Club of JIMS, Rohini Sector-5 organized Talent Hunt competition named 'JIMS Got Talent' on 5 Sep 2019. Students registered for the event in a good number and from every course. The event provided our enthusiastic students to show their talents in Dancing, Singing, Arts, Acting and photography. The respective judges were Dr. Navneet Joshi, Dr. Parminder Bajaj and Ms. Yogita eager to judge the performance. Our students being a wonderful audience showed great love and support by their presence and motivated the performers. The winner in every category were appreciated by cash prizes and certification.

SPORTS DAY

The Warrior -JIMS Sports Club has organized following sports events on Sports Day organized on 11th September, 2019: tug of war, chess, table tennis, Arm wrestling. More than 200 students from BBA, BCA, MCA and PGDM verticals participated in Sports Day. Winners of each sport were awarded with Medals and Certificates. Students really enjoyed and gave their best to win and also understood the importance of physical well-being and team spirit. Also student Coordinators learn management and organizational skills while organizing these sports events.

ROBOTICS WORKSHOP

The Robotics Team of Department of Information Technology, JIMS organises Robotics workshop every year for MCA students. This workshop was held on 14 Sept 2019 and robotics enthusiasts of all disciplines. The participants would be introduced to the basic fundamentals of

robotics and will gain the practical experience thru Hands-on sessions while working on the robotics kits. The workshop made students to understand various digital components, learning construction of boe-bots/sumo-bots, using single and bi-color LEDs and IR sensors. They made mini-projects using the concepts taught in the workshop.

DONATION DRIVE

JIMS PATRIOTIC CLUB in association with HARA BHARA INDIA (NGO working for the betterment of the country and its people), organised a flood relief drive RAAHAT on 11th and 12th of September 2019. The purpose was to help the people whose lives have been majorly affected due to floods by providing them with the least possible way we could.

The donation boxes were kept at the centre stage on 11th and 12th September from 10 am to 4 pm.. Students of BBA and BCA from first and second shift took part in this event. They contributed eatable, clothes and stationary items for the NGO. The event was a success as plenty of items has been collected considering the utility items that were require by NGO.

Social Brainstorming - Targeting the Gender Inequality

Jagan Institute of Management Studies, organized, Gender Champions Club organized "Social Brainstorming" on September 3, 2019- an event focused on spreading awareness about gender inequality. The competition consisted of 2 rounds - the first being an essay writing competition and the second one- the topic presentation round. Many gender inequality issues like gender mainstreaming, gender blindness, and modern-day feminism were discussed. The event was applauded and enlightened many young minds in removing gender inequality that is present all around us but is still, somewhat, invisible to the human eye.

Personality Development Training Session

The training session was conducted by Mrs. Vandana Narang which was based on Goal Setting and Getting Things Done, hosted by JIMS, Sector-5, Rohini for its MCA students. The training session was very interactive and positive. We learned how to manage and organize our to-do list, our goals, how much time management is crucial in our life and how by having smarter goals we can actually achieve them. Also we learned that to become people of special worth in the society, we need to have specific goals and not generalized ones, and that the words "cannot", "could not", "should" must escape from mind in order to achieve success in life.

Techbyte- 2K19

Annual symposium Techbyte 2K19 is organized on 5-October-2019 in Emerland Hall, Crown Plaza. This year the theme was "Technologies for Intelligent World".
