(II) Separate common rooms for boys and girls

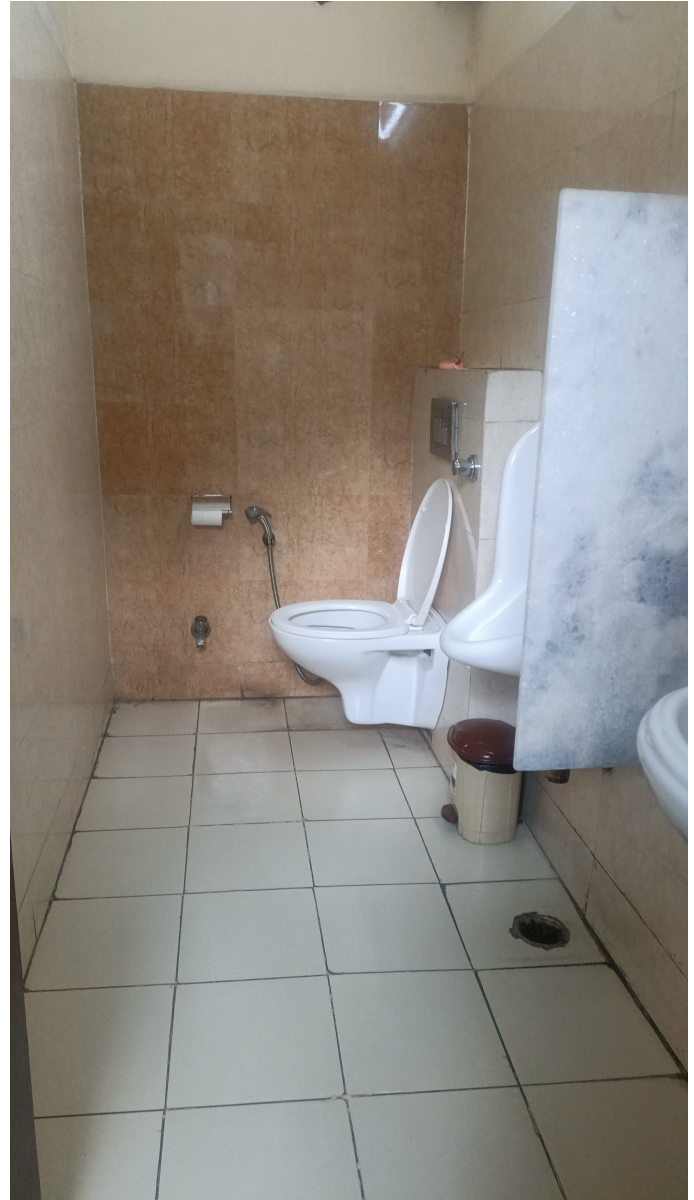

Keeping in view a dire of providing separate common rooms for boys and girls, the Institute has allotted 2 separate rooms, 1 for boys and 1 for girls to enable them to sit and discuss various educational points with each other especially when they don't have any class. These rooms are also used for socializing, discussion and interacting with each other, exchanging notes taken in the class and on some occasion to take rest from their busy schedule of teaching work.

(IV) Cleanliness of toilets

We play a significant role in fostering healthy learning and ensuring a community's health, for that, Housekeeping staffs of male and female are assigned in each floor of the institute to keep washrooms clean and hygiene.

(V) Students canteen and drinking water arrangement

The Institute has provided a full fledged cafeteria for the benefits of the students wherein all sorts of snacks, beverages, tea, coffee and even lunch provided at very nominal rate. The kitchen of the cafeteria is hygienically inspected almost every week and the food stuff provided by the cafeteria is tested by the Faculty member In-charge of the cafeteria. This is a place where students get maximum refreshment with eatables of their choice.

Institute has provided water coolers every floor which provide cool water especially in the summer season to the students and staffs. The coolers are also fitted with Acquaguard and RO System for purification of water so that the water may be made germs free. The water coolers and the Acquaguard both are clean periodically under the supervision of the Administrative office
