Sub.: Submission of compliance w.r.t. Academic Audit Committee Report 2024-25

Dear Sir,

We would like to thank the experts of the Academic Audit Committee visit for giving us valuable feedback and assessment. We hereby submit the compliance w.r.t. the overall observations and recommendations: -

Deficiencies Identified

- ***Get outdoor facilities for students***

We have set up an outdoor badminton court and facility for basketball, volleyball and cricket. We also have chess, carom, table tennis facility in the campus. Along with the existing sports facility, we also have tie ups with nearby DDA Sports Complexes and some autonomous organizations, to conduct our annual sports meet. Our institute is well connected through all forms of transport and is spread in 1.1 acre. Keeping the limited land constraints, we are providing the best possible sports facilities to our students.

- ***Study leave policy with full pay***

We provide study leave to faculty which comes under the purview of the HR policy of the institute. We ensure that periodic academic leave is granted for research purpose or any career development program enrolled by the faculty members. We provide discretion to the faculty to rejoin the institution after availing study leave without pay and try to maintain his or her seniority.

- ***Promote faculty for SCOPUS / WOS Publication***

All faculty members are encouraged to publish in WOS and Scopus journals. The institute has a well-established incentive policy to foster faculty research and presentations. Faculty receive full financial support for their research including registration, travel, lodging, and related expenses, with no limit on participation. Faculty are also sponsored for international conferences, and have recently presented papers at prestigious forums in Spain and the UK. Apart from this, faculty is provided with all the research support in terms of databases, journals, books and reference material. The institute has subscribed to sage journal package, ProQuest journal package, springer journal collection and harvard case package. The institute is a member of DELNET and the National Digital

Library, providing access to a wide range of e-books and other reference material for enriching the learning experience.

Overall Observations and Recommendations

- **Add more journals / database for research promotion**

Faculty is provided with all the research support in terms of databases, journals, books and reference material. The institute has subscribed to multiple journal packages mentioned above along with the membership of National Digital Library and DELNET.

- **Get Plagiarism Software**

We already have Drillbit software since January 2025 recommended by UGC for checking plagiarism.
