Student Satisfaction

Jagan Institute of Management Studies (JIMS) is a place of learning for knowledge-driven learners. It has been built to impart an education that surpasses the benchmarks of excellence and to achieve this continuous Improvement is required. The Institute conducts surveys and takes the responses from the pass-out students on the various key parameters including industry interface, quality of faculty, placements, infrastructure, course curriculum, and value-added courses measuring the quality of learning at the Institute.

On a five-point scale where 1 means least satisfied and 5 means highly satisfied this table depicts that in the last three years, there has been a significant increase in all the parameters as discussed and every year students are overall satisfied with the institute.

Parameters/Scale	On a Five Point Scale
Syllabus coverage before end-term exams	4.47
Assignments are given and checked regularly	4.51
Faculty	4.91
Alumni Strength	4.48
Placements	4.57
Infrastructure	4.39
Mentorship of students	4.71
Value added Courses are conducted as per Industry needs	4.68
