Directions for Q. 9 to 11: Read the passage and answer the questions given below it.

If I had been asked in my early youth whether I preferred to have dealings only with men or only with books, my answer would certainly have been in favour of books. In later years, this has become less and less the case. Not that I have had so much bitter experiences with books than with men, on the contrary, purely delightful books even now come my way more often than purely delightful men. But the many bad experiences with men have nourished the meadow of my life as the noblest book could not do.

- Q 9** In his early youth, the author:
 a) Liked to have more dealings with books than with men
 b) Liked to have more dealings with men than with books
 c) Preferred to have dealings only with books
 d) Preferred to have dealings only with men
- Q 10** The author says that in later years his love of books diminished because:
 a) He had given up the habit of reading books
 b) He did not get many delightful books to read
 c) He had better experiences with men than with books
 d) Even the bad experiences he had with men were more valuable than what the noblest books gave
- Q 11** Which one of the following statements best reflects the main argument

of the passage?

- a) There are more purely delightful men than purely delightful books
- b) Books are always better than men
- c) It is the experience with other human beings that nourishes one's life and not necessarily books
- d) Neither men nor books give real worthwhile experience

Directions for questions 12 to 15: Fill in the blank with the appropriate option
