Feedback Analysis for Academic year 2021-22

Jagan Institute of Management Studies believes in continuous quality enrichment. We take regular feedback from all the stake holders like students, corporates and Alumni. Their suggestions are then implemented as a part of continuous evaluation. The analysis of the feedback is as follows:-

Student feedback Academic year 2021-22

The majority of the students have given feedback as follows:-

- Overall they are satisfied with the teaching methodology of the faculties.
- The teaching pedagogy is very good as it is practical oriented.
- We cover the entire curriculum before the end of term exams at the university.
- Seminars and Guest lectures give us an insight into the industry situation.
- It is very helpful to prepare for GDs and interviews through the Alumni sessions.
- We are satisfied with the research emphasis done.
- Assessment tests give an insight into where the students are lacking behind and so they are really helpful.

Corporate feedback Academic year 2021-22

The majority of corporate have given feedback as follows:-

- The students have good programming skills.
- The training provided to the students helps in increasing their programming skills.
- The projects made by students are in latest language.
- The training & internship opportunities help the students in campus placements.
- Students require aptitude training.

Alumni feedback Academic year 2021-22

The majority of Alumni have given feedback as follows:-

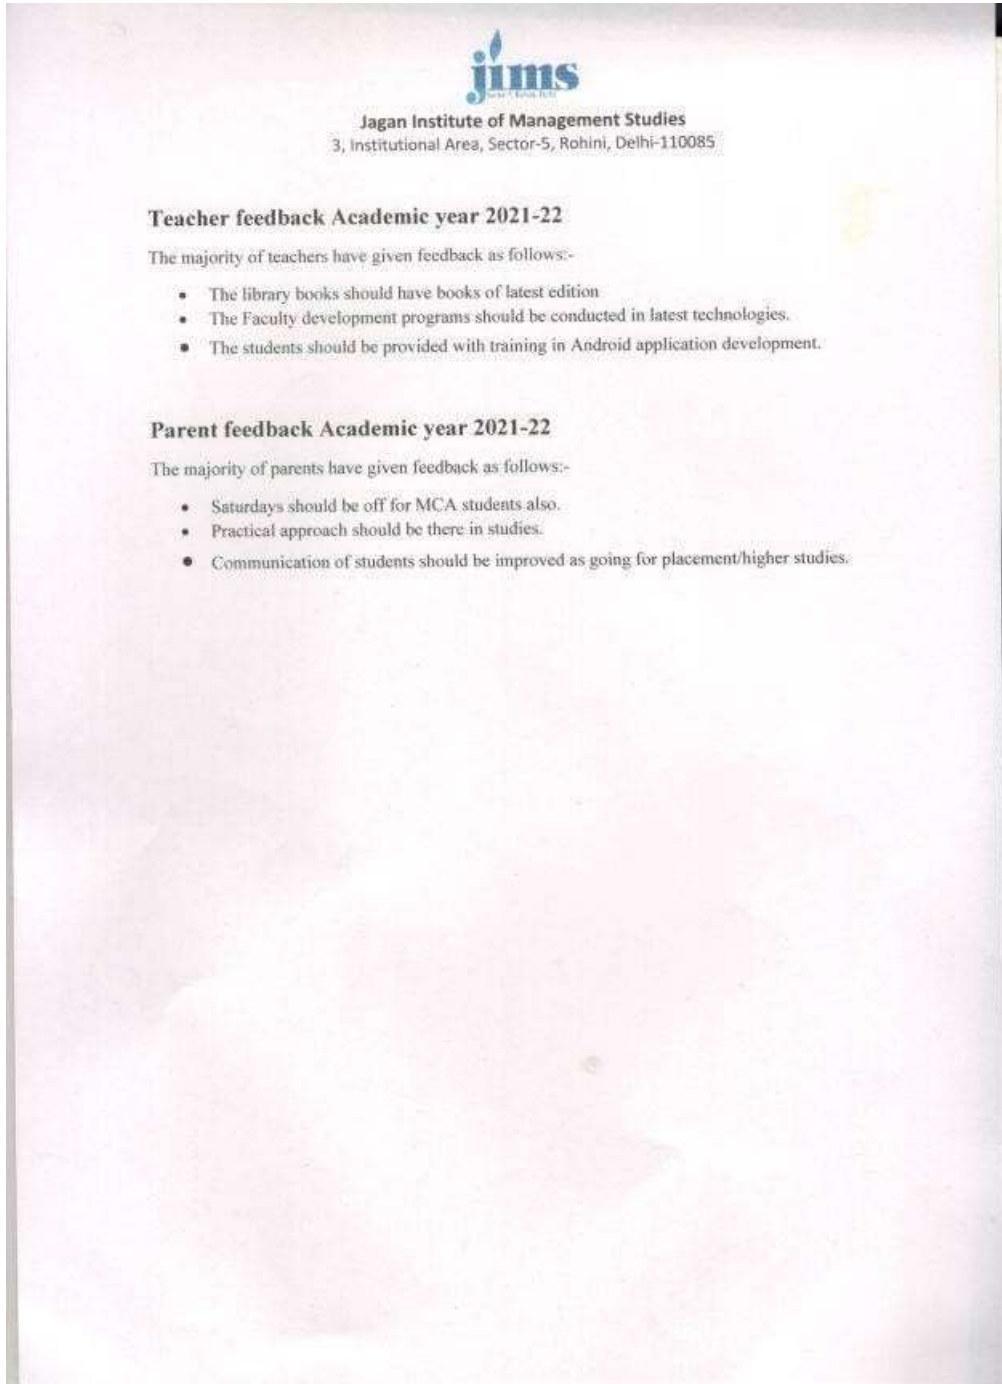

- The course curriculum is having the latest industry requirements.
- The training provided to students help in grooming them well for placements.
- They appreciate the Alumni meets and regular updates being mailed to them.
- More live projects are required for the students to give them insights into how an actual project works.

Action taken report for Academic year 2021-22

The action taken on the basis of meeting dt. 20th July 2021 on the feedback are as follows:-

Decisions taken on Student feedback:-

- Sessions to be given to students on Full stack development, Python & block chain
- Activities to be conducted on Saturdays only as MCA is of 2 years so that there is no academic loss.
- Communication skills to be improved in students.
- Faculty mentors assigned to enhance communication and regular practice done in communication lab.

Decisions taken on Corporate feedback:-

- The real life examples to be given to students for better understanding.
- Corporate sessions conducted for latest emerging technologies.
- Problem solving techniques to be encouraged in students.
- Training to be provided on Block chain

Decisions taken on Alumni feedback:-

- More Students participation in hackathons lead to good technical knowledge
- Certification to be done by students in Value added courses from different platforms
- IIC conducting session on Start-ups and journey of Entrepreneurs.
- Problems given to students should incorporate the real situations.

Decisions taken on teacher feedback:-

- New books purchased of latest edition as recommended by faculties.
- FDP's organised in emerging technologies by industry experts.
- The students provided with training in Android application development.

Decisions taken on parent feedback:-

- Cannot give Saturday off to MCA students as curriculum is high.
- Faculties asked to take more lab sessions for practical approach.
- Communication lab sessions organized for students.
