# The Society

The Society Jagannath Gupta Memorial Educational Society is a registered society under the Societies Registration Act 1860 and is a non-profit organization. The Society is managed by learned people drawn from academics, industry and business. The Society is keenly devoted to the cause of professional education.

The Society has set up its first educational institution named Jagan Institute of Management Studies in 1993. Over the last 25 years this Society has set up various educational institutions in different states like Delhi, Rajasthan, Haryana & UP, including two NAAC accredited universities. The Society is providing educational services mainly in the areas of management, information technology, engineering, architecture, law, journalism and mass communication.

At present, the Society has a combined strength of more than 10000 students and more than 600 faculty members. All the educational institutions are duly approved, accredited by and affiliated to respective statutory bodies such as AICTE, UGC, AIU, NBA, State Governments and the universities. The institutions are well known among all stakeholders for quality education, decent infrastructure, location and placements. The institutions are rated and ranked very high by various magazines, newspapers and industry associations. Many of the students who have graduated from these campuses have established themselves as successful entrepreneurs; while others have empowered several organizations to enjoy success at national as well as at global platforms.

### Accreditations and Recognitions

# Infrastructure

## Campus

JIMS Campus, where the strategic thought leaders of tomorrow hone their skills, is well-planned and spacious. The classrooms, the seminar and the conference halls are fully air-conditioned to facilitate long hours of teaching and interactive participation. All classrooms and seminar halls are equipped with state – of – the – art visual aids.

## Classroom

Our conducive classroom atmosphere has been a significant factor in creating a harmony in the teacher-student relationship. It has been designed to propel an inquiry-based learning that fosters eagerness to learn. Our simple classroom teaching is aided with many modern facilities like air-conditioning convenience, internet, intranet connectivity, hi-tech multimedia and audio-visual equipments which set the tone for students to engage in stimulating discussions.

## Digital Lab

Digital Electronics, which is one of the subjects in MCA programme, equips the students with all the essential fundamental concepts underlying the working of a computer. For this subject, a specially designed lab has been created

for experiments in computer architecture, switching theory, logic design, electronic devices and circuits. The lab is fully equipped with CROs, bread boards, relevant ICs and different trainer kits which include antenna trainer kit, digital signal trainer kit among others.

## Computer Lab

JIMS has one of the finest computing environments amongst management institutes in India. Our contemporary and cutting edge facilities include world-class servers, Wi-Fi networked campus and heterogeneous range of hardware and software which facilitates an effective model of learning.

## IBM-Center of Excellence

A unique blend of training and research programme helps the students to achieve the professional goals in prospective industries. IBM is providing RAD, DB2 and training for the faculty and students, increasing the knowledge spectrum and opportunities. MOU has been signed between IBM and JIMS, thus strengthening the bond and with a promise that “excellent environment” would be provided to the students, to think beyond the horizons and to be better and competent professionals.

## Conference Hall and Auditorium

The conference hall and auditorium are an extension of our complete and holistic classroom atmosphere. These have an excellent acoustics and sufficiently large seating capacity which complements our well-planned management learning environment uniformly. It is well-resourced with state-of-the-art audio-visual and interactive tools to facilitate smooth presentations and corporate programmes.

## Cafeteria

Our cafeteria setting puts forth a new method of knowledge-sharing called the "Cafeteria approach". It is an innovative and informal method of learning where one can debate, discuss and deliberate over a cup of coffee and thereby actively nurture one's interpersonal skills.

## Library

A well-stocked library with national and international magazines, periodicals, journals and research papers is the hub that sustains, stimulates, generates and rejuvenates the grey cells. JIMS library has come a long way from being a traditional library with manual transactions to an e-library. The library has all the relevant information available at a

click for the emerging global managers who go through the grind to equip themselves with right skills and expertise to achieve world class standards in various functional areas of Management and IT.

## jims Hostels

JIMS provides well-furnished hostel facility separately for its male and female students. The aim of our hostels is to make them a home away from home. They have spacious rooms; other facilities include common room and dining room, Apart from the infrastructural soundness, they provide sufficient scope for interaction and relationship-building. They provide a congenial atmosphere that gives the new students full scope to know their seniors, learn from them, leverage their knowledge and build lasting relations with them.
